## Message From the Bishop...

### *Signs of Real Love!*

*"You shall love the Lord your God . . . and your neighbor as yourself."  
—Luke 10:27*

Love is a precious commodity and yet the world abuses it with reckless abandon. Love is fragile, but it is bounced around like a cheap dollar store ball. To Jesus, love was and is paramount, for by it Christians would clearly identify themselves as

aligned with heaven and God's holy will. Recent reality shows I have so perverted the concept of love that many have resigned themselves to never experience the real and just tolerate the fake. However, God has made it possible for each of us to know real love and as well to show real love. These signs of love are rooted in our love of God and then spread upward and outward. You will never really love until you truly love God. As we venture into this

month of love and history, I admonish each of us to be sensitive to the unction of the Spirit and show love to all mankind. Let the real signs of love provide a wonderful backdrop for you to be radiant, radical, and righteous as you "Shine and Soar to the Glory of God"

Be Radiant.

*Bishop Anthony Pelt*
